We are in receipt of your request for registration of your spotted horse. Unfortunately, we are unable to process your request at this time due to the following:

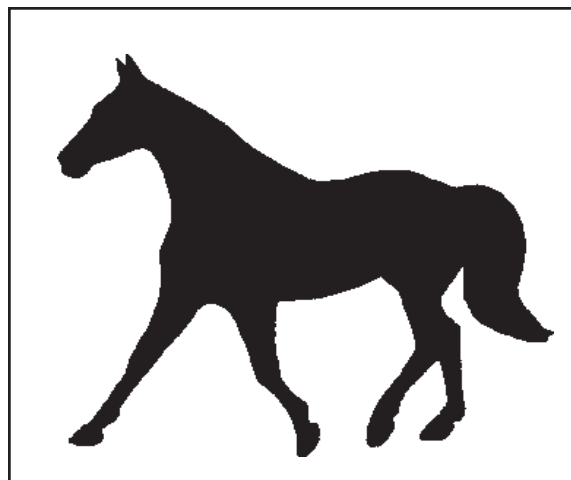

- _____ Required pictures of horse are missing.
- _____ Pictures received are not acceptable, and are being returned to you.
- _____ Polaroids not acceptable

Photos are required for the following:

- | | |
|--------------------------------------|---|
| <input type="checkbox"/> Spotted | <input type="checkbox"/> Tobiano |
| <input type="checkbox"/> Frame Overo | <input type="checkbox"/> Splashed White |
| <input type="checkbox"/> Overo | <input type="checkbox"/> Sabino |

PICTURE REQUIREMENTS:

1. **Two identical pictures** must be submitted with request.
2. Picture must show **entire left side** of horse's body (head, trunk, legs, feet).
3. Horse's **entire body frame must be able to fit into a 3" wide by 2 1/2" high space. No Exceptions.** (Please use sample picture shown here to ensure the horse's entire body frame will fit into the required dimensions.)
4. **Do not trim picture yourself.** This will be done in the MFTHBA office.

We can now scan your pictures down for you in the office for an additional charge of \$5.00. If you wish us to do this, please return the pictures to us along with a check for \$5.00. If you choose not to do this, please send pictures that comply with the requirements on this sheet as soon as possible, so that we may complete your foal application.

Please submit the required pictures at your earliest convenience so that we may proceed with your registration request. Please feel free to contact the MFTHBA office should you have any questions regarding this matter.
